Dr. Theodore A. Golden is certified by the American Board of Dermatology. He is a Beaumont Doctor, an original at Troy Beaumont Hospital, and served as its Chief of Dermatology for over twenty years.

Dr. Golden is a general dermatologist. He does not perform cosmetic dermatological surgery, run a spa, nor does he sell any type of skin products to his patients. Dr. Golden treats children and adults. He treats acne, warts, rashes, psoriasis, skin infections, moles, nevi, and check for skin cancers. He will prescribe *Accutane* for acne.

Dr. Golden accepts most insurance.

Bio:

1. Dr. Golden was born in Flint, Michigan, 1943
2. He graduated Flint Southwestern High School, 1961
3. He attended the University of Michigan Undergraduate and Medical School 1961 to 1968.
4. Received a Medical Degree from University of Michigan 1968.
5. Internship Sinai Hospital of Detroit 1968 to 1969.
6. Dermatology Residency at Henry Ford Hospital 1969 to 1972

At HFH Dr. Golden gave patients dignity and shorter waits by making the clinic he ran operate by appointment instead of on the prevailing first come first serve basis.

7. U.S. Navy, Naval Hospital Camp Lejeune, N.C. 1972 to 1974.

As the Chief of Dermatology at a socialized medical hospital Dr. Golden changed the Derm Clinic's long established policy of not seeing patients unless they had a physician referral. He was a strong advocate for the black marine with pseudofolliculitis for whom shaving on a daily basis was detrimental. He was outspoken to the higher command in order for the patient to be treated with respect. His fitness report consisted of a single word. "Outspoken"

8. Private dermatology practice Sterling Heights, 1974 to present.
Chief of Dermatology William Beaumont Hospital-Troy. 1981 to 2002.
9. Candidate for the Michigan House of Representatives in 2008.
