Honorable Marilyn Kelly
Michigan Supreme Court
P.O. Box 30052
Lansing, MI 48909

Dear Justice Kelly:

I am writing to you because I have concerns about the legal system stemming from my divorce. I have written to the Michigan Supreme Court about several of the issues, and there are new issues presented in this letter.

On March 28, 2004, I sent to Corbin R. Davis, Supreme Court Clerk, a paper that I wrote titled, Proposed Changes Concerning MCR 3.216 Domestic Relations Mediation. At the time I had an appeal pending before you, Golden v Attorney Grievance Commission, Supreme Court #124899. I did not know if you received a copy of my paper, since I did not hear from Mr. Davis concerning who was sent a copy. I have enclosed a copy of that paper, and also a copy of a letter that I wrote to Judge Wendy Potts, Chief Judge of the Sixth Circuit Court, Oakland County.

I have enclosed a copy of Golden v Attorney Grievance Commission, Supreme Court #124899. Naturally, I am disappointed that the Supreme Court did not protect the integrity of the legal system in Michigan. Hanley M. Gurwin, Esq. was guilty of attorney misconduct. I have since filed a complaint, Theodore A. Golden as to Randi P. Glanz, AGC File No. 0866/04. A copy of my complaint is enclosed, and also the response from Stephen Vella, Counsel for the AGC.

Mr. Vella should not have handled my second complaint since I complained about him in Supreme Court #124899. He was biased against me.

I feel that my complaints against Randi Glanz were of a more serious nature than the complaints against Hanley Gurwin, and yet Mr. Vella did not send a request for investigation to Mrs. Glanz. Mr. Gurwin was sent a request for investigation. In the enclosed letter dated April 12, 2004, Mr. Vella fabricated that I had pending litigation. He then states, "given the existence of your lawsuit" which is another misrepresentation. Lies to justify closing the file. Mrs. Glanz violated Michigan Court Rules and abused the legal process to prevent me from complaining about Mr. Gurwin and herself before the late Judge Patrick Brennan. My complaints against both Mr. Gurwin and Mrs. Glanz clearly state that I have no case pending in the trial court. Mr. Vella is giving me the run around when he writes that I should go back to the trial court.

I feel that Mr. Vella is guilty of attorney misconduct because he made misrepresentations to me, and also made misrepresentations about me to Mrs. Glanz. His misrepresentations were also included in AGC File No. 0866/04. Mr. Vella should be disciplined in order to protect the integrity of the legal system. The people of Michigan should fire him for unsatisfactory job performance.

What should I do? You declined to act in Supreme Court #214899. I feel that it would not be productive for me to file a Complaint In The Nature Of Mandamus concerning Mrs. Glanz's attorney misconduct, because you will decline to act. A waste of my money and time. I am appealing to you at this time to issue a Writ of Mandamus to order the Attorney Grievance Commission to open the files Theodore A. Golden as to Randi P. Glanz, AGC File No. 0866/04, and Theodore A. Golden as to Hanley M. Gurwin, AGC File No. 1064/03, and to investigate and file charges against them.

Hopefully, you will amend MCR 3.216 Domestic Relations Mediation as I have suggested. At least make the Oakland County Circuit Court provide information concerning the mediation process as mandated by MCR 3.216(B). The information that the court provides should include the requirements specified in MCR 3.216(G), and who is on the list of approved mediators as specified in MCR 3.216(F). Perhaps, parties ordered to mediation will be able to protect themselves from the Hanley Gurwins if subjects of the court are informed about the mediation process.

This is an election year for you. Acting positively concerning my requests would be beneficial.

Thanking you in advance for your attention concerning the matters that I bring before you.

Respectfully submitted,

Theodore A. Golden, M.D.
