

MICHIGAN SUPREME COURT  
LANSING, MICHIGAN

MARILYN KELLY  
JUSTICE

May 26, 2004

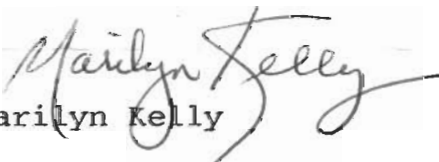

Dr. Theodore A. Golden  
1746 Bellwood Court  
Bloomfield Hills, Michigan 48302

Dear Dr. Golden:

I have received your letter of April 26 with its attachments.

Our Court rules require a timely filed motion for reconsideration. Since one was not filed, this Court will no longer consider your case. In my eight years on the Court, I have never seen an exception made to the timely filing rule that could be used to benefit you.

Yours sincerely,

  
Marilyn Kelly
